DIVISION 18

PARKING ADVISORY BOARD

§26.1801 Purpose and Intent

It is the purpose and intent of the City Council to establish a Parking Advisory Board to serve in an advisory capacity to the Mayor, City Council, and City Manager on policy issues relating to parking. The Board's vision is to facilitate information exchange between the Community Parking District advisory boards, parking-impacted areas, citizens, and City staff, to enhance the effectiveness of parking options and solutions. Also, the Board shall convey community concerns, advise the City Manager regarding parking control implementation decisions, provide support and input to Community Parking District advisory boards, when requested, and address other parking-related policy matters.

§ 26. 1802 Parking Advisory Board Established

- (a) There is hereby established a Parking Advisory Board consisting of seventeen members, each of whom shall serve without compensation. The members shall be appointed by the Mayor and confirmed by the City Council. In making the appointments, the Mayor shall appoint eight

members, one each from a list of two nominations submitted by each Councilmember to represent his or her district. Additionally, the Mayor shall appoint one at-large member, one member from each of the six Community Parking Districts, one member from the Community Planning Committee, and one member from the Business Improvement District Council. Board members shall be residents of the City of San Diego, unless a conscious exception is made by the Mayor and City Council pursuant to Council Policy 000-13. Every effort should be made to ensure that the membership of the Board includes citizens with a strong interest in parking-related issues, and is representative of both residential and commercial concerns. Membership of the Board may be expanded to include members from newly-created Community Parking Districts by an appropriate amendment to this Division.

- (b) Initial appointments to the Board shall be for terms commencing on January 1, 2005, at a time when the membership of the Board was to consist of only fourteen members. For these appointments, seven members shall be appointed to an initial term that will expire December 31, 2005, and seven members shall be appointed to an initial term that will expire December 31, 2006.
- (c) Each member shall serve a term of up to two years and until a successor is duly appointed and confirmed. No member shall serve more than two consecutive two-year terms. Any member initially appointed to a term of less than two years shall be eligible to subsequently serve two consecutive

two-year terms. Any member appointed to fill a vacant position shall serve the remaining term of the vacant position, and be eligible to subsequently serve two consecutive two-year terms. Vacancy appointment recommendations shall come from the original recommending body. Members shall be appointed in such a manner so that the terms of not more than nine members shall expire in any given year. The expiration date of all terms shall be December 31.

- (d) During January of each year, the Mayor may designate one member as Chairperson of the Board. In the absence of such designation, the Board shall, on or after February 15 of that year, select a Chairperson from amongst its members.
- (e) The Board shall meet at least once every three months. Nine members of the Board shall constitute a quorum, and the concurring vote of at least nine members shall be required to take any action. The City Manager shall provide appropriate staff support to the Board from City departments directly involved in parking-related matters. The Board shall adopt rules consistent with all laws and regulations governing its business and procedures.
